Dear Sir,

Reg. – Life Time Achievement Award

I feel extremely pleased to bring it to your kind attention that the Faculty of Commerce and Management Studies, Jai Narain Vyas University Jodhpur, has been conferred up-on the privilege of hosting the 42nd All India Accounting Conference and an International Seminar on Commerce Education and Research, on October 19-20 2019 at Jodhpur, being held under the auspices of the world-class prestigious Accounting Body, the All India Accounting Association, Kolkata.

The Marathon Assembly involving an active participation of noted nobilities, the professors, the leading chartered accountants, top academicians, cost & management stalwarts, class company-secretaries, corporate governors and experts drawn from different walks of life, is expected to gather around a thousand delegates across the globe.

Hon'ble His Highness, Maharaja Gaj Singh Ji is expected to be the Chief Patron and Your Lordship the Hon'ble Dalveer Bhandari, Justice, the International Court of Justice, Hague, has very kindly consented to be the patron of the conference. The Conference will be inaugurated and declared open by Shri Ashok Gehlot, the Hon'ble Chief Minister, Rajasthan, on, as stated ibid, the October 19,2019.

Sir, the celebrative event shall have an occasion of presenting a prize titled the “**Life Time Achievement Award**” to those sons of soil who have, overtly or covertly, contributed their might in building-up a cohesive environment, all around, such that it helps even a down-trodden social unit to uplift his standard and status remarkably up.

The conference, as a mark of token respect, proposes to acknowledge the tireless efforts of these very heroes who, day in and day out, kept on thriving to rise on a pedestal as high as it today indeed is. Besides, as known, the Suncity Jodhpur has produced many a bright personality who, the world over, have accrued laurels befitting the contribution they made and the delivery they did. I, therefore, take an opportunity on behalf of the organising committee of the conference to honour each such Royal Personage, You being the one, who, one or the other way, working on a map all across its width, has brightened the skys of Suncity Jodhpur, so brilliantly.
